WTRMLN WTR, the pioneer in cold-pressed watermelon water, announced on May 3, that entertainment icon and entrepreneur Beyoncé has joined CAVU Venture Partners and a list of other investors in the Company's recent capital raise. WTRMLN WTR provides delicious hydration for both casual and serious athletes and those seeking a healthier life. It consists of nothing but cold pressed watermelon and a drop of organic lemon juice. Straight from the fruit with no added water, sugar, or artificial ingredients, WTRMLN WTR is low in calories and sugar.

It is packed with electrolytes (especially potassium), the amino acid L- Citrulline, and the antioxidant Lycopene, plus, it's an excellent source of Vitamins A and C. The product is all natural, gluten free, non-GMO, vegan, and kosher. With annual revenues currently on pace to more than triple in 2016 from the previous year, the company is poised for major growth.

'I invested in WTRMLN WTR because it's the future of clean, natural hydration; as partners, we share a simple mission to deliver accessible wellness to the world,' said Beyoncé.
